V Suitable for Vegetarians Contains no animal or fish products. **GF Gluten and wheat free.**

Our soup is always made with gluten free stock and we always make the dishes on our 'Specials' boards gluten free wherever possible, for example by thickening sauces with corn flour rather than wheat flour. All our sandwiches are available on **gluten free bread** at no extra cost.

Our chefs have an excellent understanding of the problems of cross-contamination and therefore please let our waiting staff know if you are particularly sensitive to gluten.
